As highlighted in the D.O. letter, APAAR ID system has been designed as a unique, lifelong 12-digit identifier for all school-enrolled students, aimed at facilitating targeted interventions to improve school enrolments and learning outcomes.

I am happy to see that almost all the States/UTs have initiated the process of APAAR ID Creation; there is a need to accelerate and expand the APAAR ID creation process to achieve our targeted objectives. In this regard, I would like to inform that APAAR ID creation process **has now been opened for all students in all classes - Primary, Secondary, and Senior Secondary- for all schools of all management types.** Hence, APAAR ID can be generated and validated for all enrolled students in all schools across India.

SoP for creation of APAAR ID for all classes remain the same which is through:-

1. Conducting structured Parent Teacher Meetings (PTM's).
2. Ensuring collection and storage of consent forms during PTM's (in person).
3. Training school administrators on the UDISE+ portal.
4. Establishing robust monitoring mechanisms.
5. Ensuring APAAR ID's are printed on the Student ID cards.
6. Common Service Centre (CSC) is requested to help all schools for issues like Name corrections of students, Aadhar corrections of Parents/Students & Printing Identity Card's after APAAR ID validation.

In view of above, I request you to instruct all concerned about this national initiative in your State/UT. Your personal intervention in monitoring the progress and ensuring swift implementation of APAAR ID systems is utmost important. May I request you to bestow your personal attention to this national initiative.
